

# Real Estate on Higher Ground

**T**his tagline marked our opening nineteen years ago, and it's been our pathfinder every day since. We've never wanted real estate as usual. Boring. Been there. We were determined to do it different. Not just better, different. Make sure you get what you want, yes-yes, but see that you're comfortable along the way. Possibly even happy. And ridiculously well informed.

You know, real estate the way it should be — only higher.

Decent as a tagline, better as daily life.
